LABOR LEADER DEPOSED. John Nugent, president of the West Virginia Federation of Labor, president of the United Mine Workers of West Virginia, and member of the Legislature, was deposed as president of the Federation of Labor following his trial before

delegates from various lodges of the federation, who have been meeting in Wheeling, since Monday morning.

Nugent was charged with being a traitor to union labor, and a large number of witnesses was a symiacal. ber of witnesses were examined. Nugent failed to appear at the hearing. As a result of the trial, the federation of the trial to the trial to turn over the charter and all other property of the West Virginia Federation of Lybor to the American Federation of Labor to the American Federation of

Nugent had recently returned from tour of Europe in an effort to induce for eign miners to come to West Virginia. This is the reason of the union's hostility to Nugent.

LINGERING COLD.

Withstood Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of me, I believe Chamberlain's manufacturers who are using our power: Cugh Remedy to be the best I have ever used." This remedy is for sale by Gibson & Timberman and W. F. Oreigh ton & Co.

MR. WILLIAMS' IDEA.

Hon. John Sharp Williams, of Misissippi, who is now in Washington, declared yesterday that the President and the people are "forgetting too much the corneratone of all civic righteourness which is individual responsibility."

He opposed an extra session of Congress and federal incorporation of corporations, and said: "Landing behind the bara three men whose names are constantly upon the public tongue for plain violation of both the data and national law will do more good to check trusts and interstate commerce evils receiverships."

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr Shoop tells mothers everywhere to give it with ut hesitation even to very young babies. The holesone green leaves and tender stems of a hone-healing mountainous shrub, furnish the curstive properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this ahrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by E. S. Leadbeater & Sons.
